

## **Feast of Tabernacles 2023**

**29/9 - 7/10**

Shalom!

Within our community of Philadelphia (Netherlands), Ceper Publishing Group (USA), Eatin Wild Honey and Locusts (UK) and Stichting Natsarim (Netherlands), the desire has grown to celebrate the Feast of Tabernacles of Yahuah in the Netherlands this year. We will do this in our own tents together on a camping field in the Netherlands.

Do you believe in Yahusha Ha'Mashiach and are you called to follow the Commandments, then you are most welcome. Even if you are not yet familiar with Yahuah's Feasts and you are curious, you are welcome.

**The camping starts on 29/9 and lasts 10 days until 8/10.**

You are cordially invited to celebrate these days with us. You will spend the night in your own tent (booth). Do you want to come? Let us know and email:
