

Shalom,

Hereby the following information for the Feast of Tabernacles 2023 that will take place in the Netherlands.

For now the costs are determined at 20 euro a day per person for camping. This includes breakfast and dinner. So if you want to stay the full week from 29/9 until 8/10 it is 9 days that is 180 euro.

We are camping in our own tents (boots) on a field so you have to bring your own camping gear.

Breakfast and dinner will be made by brothers and sisters.

When it is not possible for you to bring your own tent, let us know we will look for renting a tent. The renting costs are for you.

When you have disabilities so it's not possible for you to sleep in a tent or by any other means, we can look for a B&B to stay. Keep in mind that there are not many rooms available and that you might have a room a bit further away from the camping site. In that case we can arrange with brothers and sisters to pick and drop you off. Only if it is a short distance of course.

Room for 2 person per night 45 euro.

Room for 1 person per night 35 euro.

Breakfast and dinner will be 10 euro a day made by brothers and sisters at the camping site.

The following days are not available anymore at our campsite. (rooms)

3/10 full

4/10 full

5/10 full
