The Cepher Scriptures: A Comprehensive Restoration of Sacred Scripture

- Sets forth a transliteration, rather than a substitution, of the names of the Father (Yahuah), Son (Yahusha) and Holy Spirit (Ruach Ha'Qodesh);
- Transliterates over 3,100 other Hebrew names and places;
- Restores the stand alone Aleph Tav תא throughout the text; previously omitted in other English translations;
- Includes all of the 81 books previously canonised as the Bible ([see scripture comparison chart](#)), plus another 6 books considered to be inspired and/or historically significant: Chanoch (Enoch) & Yovheliym (Jubilees) from the Dead Sea Scrolls, as well as Yashar (Jasher), 4 Ezra, 2 Baruch, and Hadacchah (Additions to Esther) - for **a total of 87 books under one cover**;
- Restores an accurate order to the books as they were originally written;
- Corrects many notorious errors found in virtually all previous English translations, such as Yeshayahu (Isaiah) 14, Zakaryahu (Zechariah) 5, and Mattithyahu (Matthew) 23;
- Restores [Chapters 151-155](#) of Tehilliym (Psalms); and the Acrostic Psalms 35 and 145, together with the Acrostic format of Qoheleth (Ecclesiastes) are marked with Ivriyt (Hebrew) indicators;
- Restores the [Missing Fragment of 70 verses](#) in 4 Ezra Chapter 7;
- Restores the 29th chapter of Ma'asiym (The Acts of the Apostles) chronicling Pa'al's (Paul's) journey to Spain and Britain;
- Includes an improved Paleo Ivriyt index of the modern and paleo Hebrew alphabet that provides a comparison between Paleo letters and modern Hebrew letters, the inclusion of the sofit letters (finals), an intrinsic meaning guide, and an all new pronunciation guide;
- Includes an expanded chart of all the sacred names of Elohiym with the Ivriyt (Hebrew) spelling for easy comparison, as well as the common usage, and the Cepher transliteration;
- Includes improved one-of-a-kind ancient Maps, such as the four journeys of Pa'al, the migrations of certain houses of Yashar'el into Africa, the migration of the house of Zerach, the migration of the other tribes, the recent discoveries of the Gulf of Aqaba (Red Sea) crossing, and the true placement of Mount Cynai (Sinai) and Mount Chorev (Horeb);
- Provides an comprehensive Family History section for personalization.
- Includes extensive footnotes.

Reading Egyptian Hieroglyphs

Author Ross Broadstock demonstrates how the key to deciphering Egyptian hieroglyphs is not the Coptic language - it's Welsh! This amazing discovery allows the ancient pictograms to be studied as never before, revealing more of the historical background of the Old Testament.

This book is a powerful tool for tracking the patriarchs in scripture. Moses, Joseph, Solomon, the Queen of Sheba and others appear in the hieroglyphs. This discovery confirms they were true historical figures, which is critical in light of modern attempts to explain them as myths.
