Here we will talk about a people that have remained on the fringes of society for a long time. These are the people carrying the truth of Yahuah.

They have been hunted and killed, forced to live in somewhat secrecy, some fingerprints can be found at least as far back as the writings of Jeremiah

Forced to use codes to hide the truth in plain sight for their initiates and believers

Forced to use “titles” for their leaders and adversaries to hide their true identity and “stay alive”

The forces of this world through its terrestrial agencies and spiritual darkness have moved to expunge all existence for millennia.

We have also seen the standardisation around:

- Blood sacrifice in the old world
 - Christian Orthodoxy (Nicene creed/council) in the new world which reaches out to the masses
- we need to understand if this is the “True Way” of Mashiach’s followers or a compromise position.

Today we will also see why bloodlines are so important.. Both spiritually and physically

Brief Timeline – The enforcement of Christian Orthodox (Nicaean Creed)

- **370's** –Epiphanius, the Nicene Bishop of Salamis compiled the Panarion – ‘**A Medicine Chest**’ identifying all heresies against Christian Orthodoxy “Able but anti-intellectualist, of wide but ill-digested learning and intransigent zeal for “Correct Doctrine”**
 - **Overnight, Bishop Ulfilas (311-383)** – became heretical due to his stance on the trinity (Arian controversy)
He is credited with converting the Goths to Christianity as well as translation of the Bible into the Gothic language. For the purpose of the translation he developed the Gothic alphabet, based on Greek, Latin and Runic characters.
“Constantius II supposedly described him as the era's Moses and he was additionally compared to the prophet Elijah.”

 - **380** Apostolic Constitutions released – codes for Bishops to operate their own courts, “**they were to be a physicians cutting out bad-flesh**”***** Bishops courts would become the places where all heretical matters would be settled, with the Secular and Ecclesiastical courts working in tandem.
 - **381** January - Christian Roman Emperor Theodosius issues a formal letter mandating the acceptance of the Trinity (Father, Son , Holy Spirit) and each to be of equal majesty. This went to the Danube Provinces, by July to the eastern empire followed by the Western empire. Theodosius went on to state that **all other Christian beliefs would be taken as Heresies punishable by both state and the divine judgement of God**. This then extended to include prohibition for Pagan belief systems also.*
 - **395** Theodosius's son re-drafted the definition of Heresy ‘Those persons who may be discovered to deviate **even in a minor point of doctrine**, from the tenets and the path of the Catholic Religion are included within the designation of Heretics and subject to any sanctions placed against them’ ***
 - **409** Law passed stipulating that **all codices (books) of Heretics must be burned**, anyone found to be hiding them must be punished with **capital punishment** as guilty of the crime of maleficium (sorcery).
- > *As we will see later Yah has had his people store scrolls in Jars for the time of the end – which would avoid the above*

Example of the Roman treatment for the Heretics

Examples of the destiny of heretics that would not “Convert” to the Roman faith:

- Constantin had executed the Christian heretics-the Donatists, the Arians, the Ebionites*
- Talking of Jewish-Christianity “But most of them die-by the sword (Roman garrisons hunted them as outlaws), by starvation (they were deprived of their small farms and could not or would not adapt themselves to life in the big cities), by the attrition of zero birthrate”.**

Ezekial's Vision - 561BC – the model for the Essene Priesthood

Vision of the New Temple

Eze 40:3 And he brought me thither, and, behold, *there was* a man, whose appearance *was* like the appearance of brass, with a line of flax in his hand, and a measuring reed; and he stood in the gate.

Eze 40:4 And the man said unto me, Son of man, behold with thine eyes, and hear with thine ears, and set thine heart upon all that I shall shew thee; for to the intent that I might shew *them* unto thee *art* thou brought hither: declare all that thou seest to the house of Israel.

Rules for Levitical Priests

Eze 44:15 But the priests the Leviyim, the sons of Tsadoq (Zadok), that guarded the watch of my sanctuary when the children of Yashar’el went astray from me, they shall come near to me to minister unto me, and they shall stand before me to offer unto me the fat and the blood, says **Adonai Yahuah**:

Eze 44:16 They shall enter into my sanctuary, and they shall come near to my table, to minister unto me, and they shall guard my watch.

Eze 44:17 And it shall come to pass, *that* when they enter in at the gates of the inner court, they shall be clothed with linen garments; and no wool shall come upon them, while they minister in the gates of the inner court, and within.

Strong's Number	Word	Hebrew	meaning
H6659	Tsâdôwq – Tsadoq - Zadok	צִדִּיק	<i>just, righteous</i>
H6663 (root)	tsâdaq	צִדִּיק	to be (make) right, cleanse, just(-ice,-ify self), (be turn to) righteous(-ness).

Verification of usage

“James the Just” – *Eusebius Ecclesiastical History, II. xxiii*

Ascension of Isaiah 4:22. (Namely) in those which have not the name written, and in the words of my father Amos, and of Hosea the prophet, and of Micah and Joel and Nahum and Jonah and Obadiah and Habakkuk and Haggai and Malachi, and in the words of Joseph the Just and in the words of Daniel.

Stating hidden in public sight – the use of Cyphers, Pseudonyms and Archetypes

Staying hidden in public sight – the use of Cyphers, Pseudonyms and Archetypes

Pseudonyms and Archetypes

Kittim (Pseudonym for the enemy)

The sectarians knew about the Romans, whom they designated by the cipher “the Kittim,” and described them as “swift and mighty in war” as they mercilessly destroyed many with the sword under Roman rule.

<https://blog.oup.com/2021/01/essenese-in-judaean-society-the-sectarians-of-the-dead-sea-scrolls/>

Archetypes - hiding the real names for people while describing their role or character

- **Wicked Priest**
- **True Teacher** Moreh-Zedek (Teacher of Righteousness) who would be the supreme leader for the sect.
- **Sons of Light**
- **Sons of Darkness**

The Essenes built up from the bible and other sources a dualistic interpretation both of the Messianic Office one aspect priestly and the other aspect regal, and of the Elect, who would reign on the earth as Kings and Priests (Rev v10).

The priestly aspect would involve redemptive suffering and humiliation, while the regal aspect would involve exemplary qualities of wisdom and organisation.

Jewish speculation also embraced the concept of two messiahs:

- **Messiah Ben Joseph** (ie suffering Priest sent to the wilderness) →
- **Messiah Ben David** (ie all conquering Davidic King)

Candidates ?

- The Essene “True Teacher” (it would appear)
- John the Baptist
- Yahusha (Jesus) – first incarnation
- James the Just ?

Possible link for John the Baptist fulfilling a Role or Archetype

Messiah Ben Joseph

Testaments of the 12 Patriarchs, Testament of Benjamin (version from the below book)

When talking of the blessing/prophecy spoken by Jacob to Joseph:

“In thee shall be fulfilled the prophecy of Heaven, which says that the blameless one shall be defiled for lawless men, and the sinless one shall die for godless men”

Essene Odyssey page 37

Yahusha – when talking of John the Baptist

Mar 9:13 But I say unto you, That Eliyahu is indeed come, and they have done unto him whatsoever they willed, as it is written of him.

Possible title given to the next King of the Davidic line

Could “Joseph of Arimathea” be a person and/or a title/role ?

In the book “Bloodline of the Holy Grail” by Laurence Gardener, he describes the “key” descendant (next in line) for the house of David as having a the designation:

Joseph Rama-Theo..

Ram/Rama (Hebrew for height , top) Theo (Greek of God)

Joseph (denotes the “next in line of the royal kingship to the throne of David by lineage)

Example:

Matthew Annas (brother of Jonathan) held the priestly title of:

Next in line for kingship after Yahusha held the title of:

Levi of Alphaeus (Levi of Succession)

Joseph Rama-Theo I.e. Joseph of Arimathea

The Royal Bloodlines – through prophecy – as discussed

Jash 36:15 At that time the portion of birth right, together with the kingly and priestly offices, was removed from the sons of Reuben, for he had profaned his father's bed, and the birthright was given unto Joseph, the kingly office to Judah, and the priesthood unto Levi, because Reuben had defiled his fathers bed

The Royal Bloodlines - The Desposyni

*The Desposyni (from Greek (desposunos) meaning "of or belonging to the master or lord" was a sacred name reserved for Jesus' blood relatives.**

*Every Part of the Jewish Christian Church had always been governed by one of the Desposyni's.***

*There had been at least three authentic bloodlines of descendants from Yahusha's (Jesus) own family**:*

- Joachim & Anna (Maternal Grandparents)
- Elizabeth (First cousin of Yahushas mother) & Zachery
- Cleophas & wife who was also first cousin to Mary

Bloodlines of Mary's husband did not qualify as being *Desposyni*.

Bishops of Jerusalem (Eusebius Church History – Book 4 Chapter 5)

1. The chronology of the bishops of Jerusalem I have nowhere found preserved in writing; for tradition says that they were all short lived. 2. But I have learned this much from writings, that until the siege of the Jews, which took place under Adrian, there were fifteen bishops in succession there, **all of whom are said to have been of Hebrew descent**, and to have **received the knowledge of Christ in purity**, so that they were approved by those who were able to judge of such matters, and were **deemed worthy of the episcopate**. For their whole church consisted then of believing Hebrews who continued from the days of the apostles until the siege which took place at this time; in which siege the Jews, having again rebelled against the Romans, were conquered after severe battles.

The Desposyni – the last known meeting - Rome

318AD – Meeting between Jewish Christian leaders and Pope Sylvester 1st.

The emperor provided sea transport for eight “rough and ready” men as far as Ostia, the port of Rome. From there they rode on donkeys to the imperial city and up to the Lateran Palace, where Pop Sylvester now lived in Grandeur.

In their rough **woollen clothes** and **leather boots** and **hats**, and with an earthy smell, they contrasted sharply with Silvester’s retinue of Smartly clad and pomaded bishops and officials. They refused to sit.

Silvester spoke with them in Greek **as he could not understand their Aramaic** and they had **little or no Latin .!**

Their request:

- **Revoke** confirmation of **Greek Christian bishops** in Jerusalem, Antiochc, Ephesus & Alexandria and to name instead **desposynos bishops**.
- To resume the practice of Christian cash contributions to the desposynos church in Jerusalem as the mother church of Christianity (Suspended by Hadrian)

Sylvester curtly and decisively dismissed these calls saying that the mother church was now Rome with the bones of Peter and that Greek bishops should lead them.

Deductions:

- Rome knew who and where they lived as they sent for them
- Rome paid for them – perhaps they were poor
- They had hats, wool and leather boots – not sandals and linen (cold climate)
- They travelled a long way (by ship)
- They did not know Latin (would be on fringes or outside of Roman world)
- Their Aramaic was “rusty” so no longer around the levant

Vatican digs illegal tunnel to 'exhume King David's DNA and bring Messiah back to life' 15:25, 5 APR 2021

It's claimed there is a passage approximately 1,970 feet long and 5 feet wide under the Church of the Dormition on Mount Zion, on which construction was completed about 12 years ago.

Regavim alleges Catholic authorities built the tunnel from the main building of the Dormition Abbey to the residences of the clergy in the Beit Yosef building.
